

L ABURNUM PUBLIC SCHOOL

From Darkness To Light

Circular No. :LPS/2022-23/14

Date: 18-5-2022

Dear Parent,

You would be pleased to hear that in order to provide understanding on International English language and to help students perform in all subjects taught in English thereby improving their overall academic performance the school has decided collaborate with Zamit, UK, to offer a range of international English language qualifications known as Global English Testing Services (GETS) which are included as part of this initiative for students and will enhance your ward's English language skills for future readiness.

You will agree that English language competency is needed not only to do well in English as a subject BUT also in other subjects, taught in English at school such as Mathematics, Science, Social Science etc. English Language proficiency plays a big role in the life of a student for: Understanding exam questions, learning from teacher in the classroom, understanding general instructions, for everyday living and also for the world of work.

Some benefits are given below:

- Improve and excel in English that is used in the academic environment and not just general English.
- Achieve greater understanding of vocabulary taught across subjects thereby helping them to gain deeper knowledge of subject content taught in school.
- Internationally Certified Reports from QAI, UK – helps parents and teachers to identify areas of strengths and weaknesses leading to help, timely and planned intervention.
- Integrally linked to ongoing classroom teaching hence no extra stress
- The international assessments will be administered in the school during school hours with the help of an external administrator from GETS and the certificates will come from QAI, UK.

The package for student includes a range of services which will help your child become future ready and receive international certificates. These services include:

- **GETS General English Assessment**–An International English Language Assessment that helps you assess your Listening, Reading & Writing Skills with certification from QAI, UK mapped to CEFR – *the world standard*.
- **GETS Subject Language Assessment** – An International English Language Assessment that helps you assess Subject Language Skill, mapped to Content & Language Integrated Learning with certification from QAI, UK.
- **GETS Oral Presentation (Speaking)**– An International English language assessment which covers the speaking skills mapped to CEFR levels (Common European Framework of Reference for Languages) – *the world standard*.
- **GETS Professional Consultation** – Understand your assessment scores and ways to improve your language ability in consultation with a GETS English language expert.
- **Competitions & Championship**– Unlimited competitions and championships to explore your capabilities, achieve extra certificates and a chance to win attractive prizes.
- **ZQ (Zamit Quotient)** – World's first artificial intelligence driven tool to map every child on the Future Readiness Index and receive a report mapped to 9 dimensions (skills).
- **Workshops & Webinars**–Zamit brings you the best in class Webinars, Workshops, Talks and Stories from internationally recognised speakers.
- **General Counselling Session**– Receive guidance from National & International Counsellors

NOTE:

The total fees for this package is **INR 2400/-** wherein the school will be paying half of the amount and half will be paid by the parent i.e **INR 1200/-**. Please submit your interest for this initiative through the given link. On the basis of the responses for this initiative, further information will be shared with you.

Regards

Principal
