Welcome to the school year 2022-23!

I'm delighted to see that our campus is once again brightened by the cheerful smiles of our students today. In the past two years, it had been a difficult period for all of us, especially the students, to adopt and adapt to the new form of schooling. But, in any case, I appreciate everyone's efforts. Looking forward to our students' development as a result of our combined efforts.

Blessings!!!
