"Educating the mind without educating the heart is no education at all"- Aristotle.

Dear Parent's

Laburnum undertakes the challenging task of moulding the young impressionable minds into valuable assets of the society, precious gift of mankind and pride of human race and this is made possible by one and only, worthy Chairman Mr. Anil Kumar who is the exponent of this institution. We under his supreme guidance are providing holistic and quality education to the students. At the end I would like to extend my best wishes to all our students, staff, parents and alumni.

Warm regards
Dr. Bhavna Chibber

INTERACTIONS

Teacher's Capacity Building Program

The consecutive improvement of teachers is an essential element of the LPS culture.

Teachers were given the tools and strategies, needed to create an effective lesson plan. The trainer emphasised on the process of attaining and grinding the skills, instincts, abilities and processes.

Teacher's Training conducted by Mr. Ajay Sharma on the topic Innovative teaching practices. A plan is more like a map which helps a teacher to navigate his/her way in classroom teaching.

Conducted by Ms. Anju on the topic lesson planning.

Teacher's training workshop was held to apprise them of the different teaching strategies and focus on English Communication.

Government Teacher's Collaboration of thought and teaching strategies with near from the two Government school teachers.

PTM

Honourable teachers gave a few healthy suggestions on how to prepare their kids for the upcoming Pre-Board and Final Examinations.

Pedagogical techniques in the school, focus on independent learning, self-initiated projects and experimentation.

'A Parent is a Teacher at Home and A Teacher is a Parent in School and the Child is the Centre of Our Universe.'

Teachers and students will be exposed to the enhanced teaching-learning process.

WORKSHOPS

"Emotional Intelligence and the importance of inculcating Moral Values amongst children".

"The adolescent period is a more intense period of growth and teachers and parents should not ignore the emotional growth of a child".

"The objective of the session was to simplify the decisions related to career building and developing a scientific temperament using the latest methodologies".

"A Talk on Artificial Intelligence on how AI acts as a critical skill amongst children".

Students were able to grasp the complex concept of numbers through engaging ways of learning and has, in turn, put forth the demand for more interesting sessions on Abacus!

COMMUNITY OUTREACH

Laburnum Public School was a Hub for Vaccination Drives for students aged between 15 to 18 years and second dose for senior citizens. The School initiated the vaccination drives five times in the recent past.

"Sharing gives the giver joy and fulfilment". Laburnum inculcates the above said amongst the young Laburnites. On Christmas Eve, the teachers and students of Laburnum Public School donated a bagful of joys to the underprivileged, role-playing as "Santa" and hence, together marked the true essence of Christmas.

Laburnum Fraternity hosted an event, the "Twinning Programme" initiated by the Haryana Government, where 60 students from two distinct government senior secondary schools from classes IX to XII visited. Showcasing a warm gesture of heartfelt welcome.

An interactive training session on the topic "Initiative in School Education" was successfully conducted under NISHTHA Training 2.0 for PGT & Principal of Haryana Govt. Schools.

To sensitize the significance of WETLANDS in ecosystem in nearby areas. Students visited Damdama Lake and expressed their concern over the importance of Wetlands through interviews, videos and paintings.
