DARPAN School Newsletter

From Principal's Desk

Greetings to all !

It is matter of immense pleasure & pride to present this school newsletter DARPAN to all stakeholders. DARPAN exhibits all major activities we conduct at LPS during the reported duration. LPS is committed to provide the highest quality education for the children consistent with realising an equitable, inclusive and plural society as contemplated by our Constitution and as suggested by NEP-2020 along with the guidelines of NCF-2022.

Laburnum Public School is persistently striving to prepare students to meet the challenging demand of 21st century knowledge society. It envisions an integrated approach to school education whereby transformative nature of education is expected to qualitatively improve the contents and outcomes of education to impact the lives of children towards a better future.

I believe that this newsletter will reflect our vision for school education and be a source of motivation for our students, teachers and parents to consider their contribution in the field of education and conclusively to the society.

Warm Regards

Bhavna

-Dr. Bhavna Chibber

Mr. Anil Kaushik
Hon'ble Chairman

“शिक्षा का उद्देश्य केवल तथ्यों को याद कर लेना भर नहीं है। शिक्षा जीवन की कठिनाइयों का सामना करने के लिए विद्यार्थी को मानसिक व भावनात्मक रूप से सशक्त बनाना है।”

NAVOTKARSH-2022

Inter School Fest-'Navotkarsh-2022', a platform where participating students get a chance to demonstrate their latent potential in the field of Art, Culture, Literature, Music & Dance by applying their Skills & Creativity was organised on 26th November 2022. Students from various schools participated in online and offline events with full enthusiasm. Glimpse of the fest can be seen here.

FIT INDIA

Fit India would be a success only when it becomes a people's movement. You would agree that 'How to Live' ought to be the first pillar of formal education. This involves teaching and practicing the art of taking care of one's body and health every day. Proud to announce that LPS, taking a lead, has organised Fit India Week and got the certificate, keeping in mind the equal importance of fit body & fit mind through plethora of sports like Skating, Boxing, Football, Kho-Kho etc.

WORKSHOP TO ENRICH TECHNOLOGICAL SKILLS

A workshop was organized for the teachers to enhance their technological skills and help them to make teaching more interactive and fun. It was an informative session to aid teachers teach & comprehend large sets of data using visual language to depict meaning. To explore the workshop, tap the link:

<https://fb.watch/h5PfdJY5tb/>

NURSERY TEACHERS' TRAINING

A workshop was organized on 27th August 2022 for NTT teachers to upgrade their knowledge and skills in the advanced learning environment. Dr. Bhavna Chibber, the principal encouraged the teachers to upgrade their teaching skills. Ms. Ishpreet Kaur emphasized on the significance of grasping the student's attention and stressed on using the latest educational tools for improved communication. The workshop concluded with learnings about learner centric approaches in teaching.

<https://fb.watch/he209KA3rw/?mibextid=6IxyOt>

ACTIVITY TO REVIVE

Workshop for teachers of class I-VIII was organized where they had to choose an activity to share a relatable interesting & nostalgic memory. Ms. Ishpreet Kaur the resource person insisted on grabbing the students attention and laid stress on a scenario based approach in everyday teaching. The workshop concluded with a note about the significance of brain-gym exercises and student centric approaches to be followed in everyday teaching in classrooms.

TECHNOLOGY IN CLASSROOM

Workshop for teachers with a guest lecture presented by Ms Vani Rana to meliorate the proficiency in using technology in classroom. Teachers were introduced to different tools of software to make the learning more meaningful and interesting. Teachers were given awareness about Gamification which would make learning interactive and playful. The session concluded with a speech by the Principal, Dr Bhavna Chibber who emphasized on refining the quality of education at the school.

<https://fb.watch/hetCXV2agX/?mibextid=6IxyOt>

METHODOLOGY FOR CLASSROOM MANAGEMENT

A workshop for teachers has been organized to equip them with the strategies to manage their classroom effectively. Ms. Rachna Basin gave the guest lecture and focused mainly on three elements of classroom management i.e. Being, Valuing and Doing. Teachers participated in different group events to evaluate their style of teaching. It was an overall a fun learning experience for all teachers to enhance their classroom management skills.

<https://fb.watch/hcz-QJJcb8/?mibextid=6IxyOt>

WORKSHOP FOR BIA (BE INTERNET AWESOME)

A cyber security awareness workshop was organised for both students and teachers. Teachers participated in an interactive session led by Dr Bhavna Chibber, principal of Laburnum Public School and renowned Cyber Security Expert and Master Trainer (CBSE and Google). To inform the students about cybercrimes and cyber security for their online safety, the professors organised a workshop. Both students and teachers participating in the successful session were labelled 'Be Internet Awesome' since it was both educational and enjoyable.
