*"Cleanliness brings happiness, but dirt makes us hurt".*

Dear Students, Teachers, and Staff  
Greetings!

We hope this circular finds you in good health and high spirits. We are writing to inform you about an upcoming initiative called **"No Dustbin Day"** that will be observed in our school on **3<sup>rd</sup> October, 2023**. This initiative has a vision to create an awareness regarding the cleanliness, because cleanliness is next to god.

The purpose of No Dustbin Day is to raise awareness about waste management and encourage everyone to take responsibility for their own waste. It is an opportunity for us to reflect on our consumption habits and find ways to reduce, reuse, and recycle.

On this day, we encourage everyone to do minimum waste throughout the day. This will serve as a reminder to be mindful of the waste we generate and to find alternative ways to dispose of it.

Let us come together as a school community to make a positive impact on our environment. By observing No Dustbin Day, we can instill a sense of responsibility and promote sustainable practices among our students.

The Clean Class of the school Trophy will be awarded to the class that consistently focus on cleanliness for the whole day.

We look forward to your active participation and cooperation in making this initiative a success.

Thank you for your attention and support.

Best regards,

Principal
