MESSAGE FROM CHAIRMAN DESK

Chairman

Dear Students, Parents and Staff,

It gives me immense pleasure to share with you that the vision I had for our school has become a historic reality. Our journey to international recognition has reached new heights, and I am filled with pride and joy as I reflect on our remarkable achievements.

Our very own students, Prashant and Chirag, have not only qualified for the ASBC Asian Youth & Junior Boxing Championships 2023 in Kazakhstan but have also exemplified the spirit of dedication and determination that we nurture at Laburnum Public School. Their success serves as a shining beacon, guiding us all to dream big and strive for greatness.

But that's not all. Our school has continued to shine in various fields, receiving accolades such as the Skill Bharat Samman 2023 and the Education Today Award. Moreover, our students excelled outstanding performance in the Inter-School competitions has earned them well-deserved recognition. We have also excelled in the field of boxing, with achievements at the block, district, and state levels.

These accomplishments reflect the collective effort of our teachers, students, parents, staff, and the entire school community. It is a testament to our commitment to fostering excellence and sportsmanship.

As we stand on this international stage, let us unite in celebrating the success of Prashant and Chirag and extend our unwavering support to them. Their journey reminds us that passion, hard work, and resilience can overcome any obstacle. We eagerly await their performance at the ASBC Asian Youth & Junior Boxing Championships 2023. I would like to express my heartfelt congratulations to our dedicated School Principal and the exceptional teachers whose efforts have led to our school's success. As a united team, we've made history, and our shared commitment ensures that we will continue to inspire and achieve greatness.

Warm regards,
Shri Anil Pandit Ji
Chairman, Laburnum Public School

"Little Steps, Big Adventures: Exploring the World Through Tiny Tot Eyes ✨"

VAN MAHOTSAV

On the occasion of Van Mahotsav, the students of our school enthusiastically participated in planting trees on the campus and nearby areas. This initiative aims to instil a sense of environmental responsibility and sensitivity towards the planet in our young students. Through this small but impactful activity, we hope to nurture a generation that understands the importance of preserving and saving our Mother Earth. Join us in planting a tree this Van Mahotsav.

WELCOME BACK

The school campus buzzed with excitement as students returned from their vacation. Teachers and students eagerly reunited, celebrated Guru Purnima, creating a special bond on this auspicious occasion. The day was filled with an assembly, engaging activities, and students sharing their captivating vacation experiences. Teachers were enthralled by their stories, fostering a warm and inspiring environment for the start of a new chapter.

CHOCOLATE DAY

Our celebrated World Chocolate Day with a delightful event filled with chocolate-themed activities. From a chocolate tree to crafts and colouring, the children immersed themselves in the joy of chocolates. The event aimed to spread sweetness and love, highlighting the health benefits and antioxidant-rich nature of cocoa beans. Tiny tots relished every moment, reminding us to enjoy life's pleasures like a delicious piece of chocolate.

MUD LUSCIOUS DAY

Little ones at LPS celebrated a "Mud Luscious Day" to ignite their imaginations and connect with nature. Through jumping, shaping letters and numbers, and creating keepsakes, children explored the wonders of mud. This sensory experience not only stimulated their gross motor skills and fostered creativity but also exposed them to beneficial bacteria, boosting their immune systems. They fearlessly embraced the mess, leading to fun-filled learning adventures.

World Population Day

On World Population Day, our enthusiastic Class 3 students took center stage to conduct a special assembly. With great dedication and creativity, they addressed the importance of this global observance. During the assembly, our young leaders delivered insightful speeches, shared thought-provoking facts, and presented eye-catching visuals, all aimed at raising awareness about the world's population challenges. Their passion and commitment to the cause were evident, leaving a lasting impression on everyone in attendance.

Sustainable Development Goal 5

In a remarkable initiative, our Class 12 students organized a special assembly dedicated to raising awareness about Gender Equality, a vital component of the Sustainable Development Goals (SDG Goal 5). The highlight of the event was a thought-provoking nukkad natak (street play) that delivered a powerful message to the community.

Road Safety

Laburnum Public School's Class X students hosted a dynamic assembly to spotlight traffic rules' significance. The event featured prayers, insightful quotes, a lively quiz, and a captivating street play illustrating safety measures.

Independence Day

On Independence Day, our school witnessed a magnificent assembly hosted by the senior wing's Class 8 students and the youngest talents from Class 1 and 2 in the junior wing. The event was a testament to the spirit of patriotism and showcased the diverse talents of our students. Both wings came together to offer an enthusiastic and memorable performance, featuring vibrant dances, a captivating fancy dress competition, heart-touching songs, and engaging role plays. The assembly left everyone in awe as it celebrated our nation's independence with creativity and fervor. It was truly a day to remember.

Raksha Bandhan

A special assembly on Raksha Bandhan organized by our Class 7 students was a heartwarming and memorable event. It allowed us to reflect on the importance of sibling bonds and appreciate the love that binds us together. We extend our heartfelt thanks to the students for their wonderful performances and for reminding us of the significance of Raksha Bandhan.

SUBJECT ENRICHMENT ACTIVITY

Subject enrichment activities are a valuable tool in educational pedagogy to enhance students' subject competency. By immersing students in diverse learning experiences, such as research, problem-solving, creative expression, and debates, educators can foster a deeper appreciation and understanding of academic subjects. These activities empower students to become active learners, preparing them for a lifelong journey of knowledge acquisition and application.

NEW INITIATIVE

BIODIVERSITY PARK

Our School proudly inaugurated its Biodiversity Park on August 12, 2023, marking a significant step towards environmental awareness and conservation. The park promises to be a sanctuary for diverse plant and animal species, fostering a deeper connection with nature among students and the community. This initiative reflects the school's commitment to sustainable education and a greener future.

On August 12, 2023, a momentous occasion unfolded as LPS proudly inaugurated the Panchtatva Park, an oasis of nature and tranquility. This park, which embodies the essence of the five elements, is set to infuse our school environment with its rejuvenating vibes. Thanks to the visionary leadership of Shri Anil Pandit Ji, Chairman of the school committee, these lush green havens are now accessible to our students and the entire community.

INTERACTION WITH STACKEHOOLDERS

PARENT-TEACHER MEETING

Parents and teachers came together on August 19, 2023 for a Parent-Teacher Meeting (PTM), marking an essential event in our school calendar. The significance of this gathering lies in its ability to foster open communication and collaboration between parents and educators. These interactions enable a deeper understanding of students' progress, challenges, and overall development, which ultimately contributes to a more supportive and nurturing learning environment. PTMs also serve as a platform for discussing strategies to enhance students' academic performance and well-being, reinforcing the school's commitment to the holistic growth of our students. On this event, students also showcased their learning progress to parents through presentations. They demonstrated effective use of teacher-provided learning strategies, highlighting their growth and engagement in the classroom.

CONSCIOUS PARENTING

On the 6th of August 2023, an enlightening online workshop was conducted by our esteemed principal, Dr. Bhavna Chibber, aimed at nurturing and empowering our beloved parents in the art of conscious parenting. This workshop was a significant step towards strengthening the parent-school partnership and fostering a supportive environment for our students.

COFFEE WITH PRINCIPAL

Our school hosted a 'Coffee with Principal' event, where parents gathered to meet with the school's principal and discuss various academic and school-related matters. This initiative highlights the school's commitment to open and constructive communication between parents and the school administration.

INTERVENTION OF ARTIFICIAL INTELLIGENCE IN SCHOOL EDUCATION

Our School is thrilled to host a groundbreaking "ELEVATE" session on "Intervention of Artificial Intelligence in School Education, Microsoft Perspective" for our Grade 9 to 12 students on 18 July 2023. There we welcomed Ms. Snehal Moghe, an Assistant Professor and PhD candidate from CSE Dept, Medi-Caps University, Indore. This fantastic initiative aims to bridge the gap between K12 and higher education. An incredible opportunity to explore AI's role in shaping the future of education!

COMMON UNIVERSITY ENTRANCE TEST (CUET)

LPS illuminating CUET workshop, led by Mr. Gaurav Anand, Cluster Head at Aakash Educational Services, empowered students of classes IX-XII. Insights on the Common University Entrance Test (CUET), its syllabus, strategies, and opportunities were shared, fostering ambitions for undergraduate courses. The interactive session, enriched by the Principal's inspiring words, opened diverse pathways for aspiring scholars.

CAREER COUNSELING SESSION

On June 27, 2023, Dr. Bhavna Chibber led a career counseling session for senior secondary students. She aimed to familiarize them with current competitive exams and guide them in charting their path to career success. Dr. Chibber stressed the importance of informed choices, cautioning against peer pressure influences. Students were introduced to exams like CUET and SAT, along with subject-based course options. She passionately encouraged students to pursue their interests and work diligently towards their goals."

On July 3, 2023, Ms. Aanchal from collzy delivered an informative CUET (Common University Entrance Test) session to our senior secondary students. The workshop shed light on CUET, providing valuable insights and clarifications. Students received a comprehensive understanding of the exam's significance and structure. Our representative emphasized the benefits of CUET and highlighted its role in university admissions. It was an insightful session, equipping students with crucial knowledge for their academic journey.
