## MESSAGE FROM THE CHAIRMAN'S DESK

Dear All,  
This quarter has been a remarkable one for Laburnum Public School. Our Class 10 and 12 toppers, along with JEE Advanced qualifiers Arvin and Anay, and NEET qualifier Kashish, have made us proud with their academic excellence. We also celebrate the selection of 23 students into Sainik School—a true reflection of discipline and determination. In sports, our boxers have brought laurels at state, national, and international levels, proving that hard work and passion lead to greatness. My heartfelt congratulations to all achievers, their teachers, and parents. May you continue to shine and inspire others on the path of excellence.  
— Shri Anil Pandit Ji  
Chairman, Laburnum Public School

### Awards and Accolades

#### Rabindranath Tagore National Principals Award

Dr. Bhavana Chibber, Principal of Laburnum Public School, has been honoured with the Rabindranath Tagore National Principals Award 2025 for her outstanding leadership and contribution to education.

#### SOF Mathematics and Science Olympiad Achievers

Students of Laburnum Public School were honoured with medals and certificates for their outstanding performance in the SOF Maths and Science Olympiads.

#### INTERNATIONAL RANK HOLDERS ✨ Hindi Olympiad - Level 2

We are immensely proud of Agrima and Priyanshi from Class 10-C for qualifying at the international level in the Hindi Olympiad Level 2. Agrima secured Rank 98 and Priyanshi secured Rank 107. Their achievement has brought pride to Laburnum Public School.

#### National Robotics Youth Competition

Students of Laburnum Public School showcased exceptional skills at the National Robotics Youth Competition held at Amity International School. They bagged 1st Prize in Line Follower and 3rd Prize in Robo Soccer at the regional level. The team advanced to the national finals, qualifying for the knockout and quarterfinal rounds, with a spectacular 16-1 win in the quarterfinals.

#### Class XI&XII Students Shine at IIIT Bootcamp, Delhi

Grade XI and XII students of Laburnum Public School attended a two-day bootcamp at IIITD on 21st and 22nd March 2025. The event featured sessions on entrepreneurship, content creation, drones, graphic designing, and finance. In the ideathon, our team Synergy Squad—Bhavini Jhamb, Utkarsh Shukla, and Ayush—secured the 2nd position among participants from various schools, showcasing exceptional creativity and confidence. The enriching experience inspired innovation and practical learning.

### Special Assemblies

#### Welcome Assembly

On 2nd April 2025, the new academic session at our school began with a vibrant welcome assembly led by teachers, featuring prayers, news, thoughts, and speeches. A special highlight was the "Dream Tree" activity, where students wrote their dreams on paper leaves, symbolizing hope and aspirations for the new academic journey ahead.

#### Environment Conservation

On 8th April, Class 4A presented a special assembly on environment conservation. The students delivered impactful speeches, poems, and a skit highlighting the importance of protecting nature. Through their enthusiastic performance, they spread awareness about eco-friendly habits and the need to preserve our planet, inspiring everyone to take small steps toward a greener future.

#### Baisakhi

On 11th April, Class 4B conducted a special assembly on Baisakhi. The celebration included vibrant dance performances, speeches, news, and thought for the day. The festive spirit was enhanced as students were also honoured with medals for their outstanding achievements in the Maths and Science Olympiads, making the assembly both joyful and inspiring.

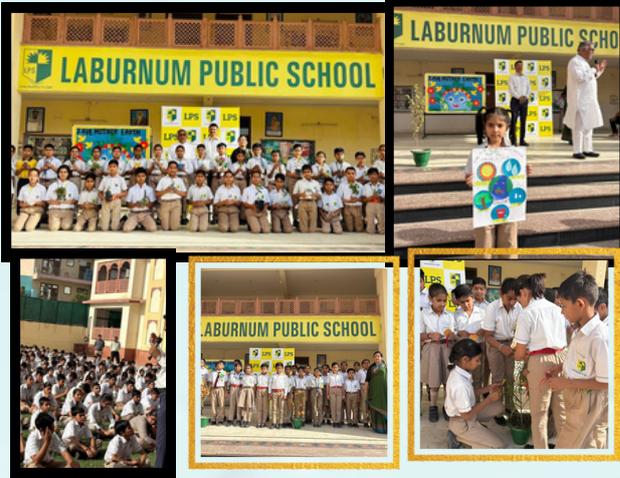

#### Labour Day

On 1st May, Class VIII A presented a heartfelt skit highlighting labourers' struggles and the power of education. The school honoured support staff with saplings and shawls, presented by Dr. Bhavana Chibber. Students from Nursery to Class 2 expressed gratitude with handmade cards, chocolates, and gifts, making the celebration of Labour Day truly special and heartwarming.

## APRIL - JUNE 2025

### Earth Day

On 22nd April, students organized a special Earth Day assembly featuring classical dance and the segment "Our Young Environmentalists Speak for Earth." Students wrote pledges, reflecting on their responsibility towards the planet. Shri Anil Pandit Ji encouraged tree planting and nature protection, while Mr. Shyam Raghav emphasized cleanliness, waste management, and adopting sustainable habits for a greener future.

### Technology Day

On 11th May, Class 8B presented a special assembly on the power of technology—shaping minds and building the future. A compelling speech and thought for the day highlighted innovation's role in nation-building. Highlights included Robotics and Modern Innovations. Dr. Bhavana Chibber praised the students and emphasized embracing digital skills while using technology responsibly and creatively for a brighter tomorrow.

### International Family Day

On 15th May, Class 8C of Laburnum Public School organized a special assembly to celebrate the International Day of Families. The event was graced by the parents of last year's toppers from all classes, along with the proud parents of Class 10 and 12 toppers. The school management honoured them with a plant as a token of appreciation, symbolizing growth, love, and the vital role families play in students' success.

### International Day for Bio Diversity

On 22nd May, Class 7A of Laburnum Public School observed the International Day for Biodiversity with a special assembly. Students presented a powerful nukkad natak highlighting the impact of environmental damage and the urgent need to protect biodiversity. The performance effectively spread awareness and inspired everyone to take action for a healthier planet.

### Events and Celebrations

#### Vidya Arambh Ceremony

On 3rd May, our school celebrated the Vidya Arambh Ceremony, marking the beginning of the new academic session for the Primary Wing (Nursery to Class 2). The event witnessed enthusiastic participation from parents, who came to bless and support their little ones on this special day. Our respected Principal, Dr. Bhavna Chibber, along with the school management, addressed the gathering with motivating words, highlighting the significance of early education and a joyful start to the learning journey.

#### Mini zoo

Children interacted with friendly animals, fostering love and care for nature.

MINI ZOO

#### Baisakhi

On 13th April, Laburnum Public School celebrated Baisakhi with great enthusiasm. Students enjoyed the day with lively dance performances and fun activities like kite making. The celebration highlighted the festive spirit and cultural richness of the harvest festival.

#### Mother's Day

On 23rd May, Laburnum Public School organized a vibrant STEM Exhibition during the Parent-Teacher Meeting. Students confidently presented their innovative projects, showcasing creativity and scientific thinking. The exhibition sparked curiosity among parents and encouraged students to explore beyond textbooks, making it a truly enriching experience for all.

On 9th May, Laburnum Public School celebrated Mother's Day with warmth and joy. The event began with a beautiful candle floating ceremony, creating a serene atmosphere. Mothers showcased their talents through singing, poetry, and dance, leaving everyone mesmerized. Fun games and quizzes added laughter and excitement, making the day truly memorable.

### Events and Celebrations

#### Parent Teacher Meeting

On 23rd May, Laburnum Public School held a PTM along with two key programs: a Parent Orientation on adolescent awareness and an Empowering Futures Workshop introducing 2n Expert Classes for JEE, NEET, CUET & Olympiads, led by Kota faculty. The event aimed to strengthen parent-school collaboration for student success.

#### Green Warrior Program

On 5th June, Laburnum Public School celebrated World Environment Day through the Green Warriors Program. Students, teachers, staff, and the Principal joined hands to plant trees and honour nature. The day featured inspiring speeches, skits, and songs, promoting awareness and love for Mother Earth.

#### International Yoga Day

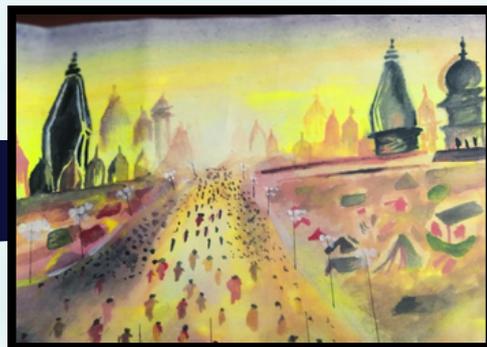

On 21st June, Laburnum Public School celebrated International Yoga Day with great zeal. Students and teachers gathered to perform various yoga asanas under the guidance of PTI Manoj Sir. The session included poses like Tadasana, Vrikshasana, Trikonasana, Bhujangasana, and Padmasana, promoting balance, strength, and relaxation. Participants enthusiastically followed the flow, experiencing the physical and mental benefits of yoga. The event aimed to spread awareness about the importance of incorporating yoga into daily life for overall well-being. It was a refreshing and inspiring start to the day, reinforcing the message of harmony between mind, body, and spirit.

## Understanding Adolescents' Emotional Changes

A workshop on "Understanding Adolescents' Emotional Changes" was conducted on April 29 at Laburnum Public School for adolescent girl students. Led by resource person Ms. Mallika Arora, the session focused on emotional awareness, stress management, and coping strategies. The interactive workshop helped students better understand and navigate the emotional challenges of adolescence with confidence and clarity.

## Career Counselling by Allen Education Center

On 6th May, Laburnum Public School hosted a Career Guidance and Counselling session for Classes 9 to 12, conducted by Allen Educational Coaching Centre. The session aimed to enlighten students about diverse career options, competitive exams, and strategic academic planning. Experts encouraged students to set clear goals and take informed steps toward their future aspirations.

## Career Counselling by Amrita Education Center

On 20th May, Laburnum Public School organized a career counselling workshop for students of Classes 9 to 12, conducted by Amrita School of Education. The session provided valuable insights into various career paths, subject selection, and future planning. Experts guided students to identify their interests and make informed decisions for a successful and fulfilling career journey.

## Virtual Career Counselling Kota by Professionals

On 24th May, Laburnum Public School organized a virtual career counselling session for students of Classes 9 to 12. Reputed professional educators from Kota guided students on various career paths, competitive exam preparation, and subject selection. The session helped students gain clarity about future opportunities and inspired them to make informed decisions aligned with their goals.

# WORKSHOP

## Sustainable Development Goal

On 10th April, our school conducted an SDG workshop led by Ms. Taruna Tanwar to help teachers integrate global issues into daily lessons. She shared creative strategies and engaging activities to blend SDGs with subjects. Teachers participated in a fun, interactive session aimed at enriching classroom learning and boosting student engagement.

## Strengthening Assessment and Evaluation Practices

A two-day workshop on "Assessment Strategies and Evaluation Practices" was conducted by COE, Panchkula on April 26-27, from 9 AM to 4 PM. The sessions were led by Prof. (Dr.) Rishi Pal, Controller of Examinations, and Dr. Nirmal Popli, Director Principal, Baba Banda Bahadur Public School, Rohtak. The workshop focused on modern evaluation techniques, effective assessment tools, and skill-based evaluation strategies to enhance teaching and learning outcomes.

## Workshop on Domain

On 3rd May, our school organized a workshop on "Domain" led by Dr. Bhavna Chibber. The session provided valuable insights into subject-specific expertise, emphasizing the importance of domain knowledge in effective teaching. Teachers actively participated, gaining strategies to deepen content understanding and enhance classroom instruction through focused, domain-driven approaches.

## Making a Winning Impression

Laburnum Public School organized a workshop on "Making Winning Impressions" for teachers on 3 May by Ms. Garima Gupta and on 17th May by Ms. Megan. The sessions focused on enhancing professional presence, communication skills, and confident body language. Teachers gained valuable tips to make impactful impressions and refine their overall presentation in educational settings.

## Financial Education

On 26th May 2025, our school hosted a Financial Education Training Program organized by the National Centre for Financial Education (NCFE). Dr. Sunil Tripathi delivered an inspiring session, emphasizing the importance of financial literacy. He shared practical investment tips, highlighting Nifty and gold as reliable options for long-term growth, leaving a lasting impact on all educators.

## Artificial Intelligence in the Classroom (Expert Led Discussion)

On 27th May, Laburnum Public School organized a workshop on "Artificial Intelligence in the Classroom," featuring expert-led discussions by Dr. Ramesh Chandra Sharma and Mr. Kapil Singh. The session focused on integrating AI tools into teaching practices to enhance student engagement and personalized learning. Teachers gained valuable insights into the future of education driven by AI innovations.

## Digital Citizenship in the Classroom

Our school hosted a workshop on "Digital Citizenship in the Classroom" on 30th May, led by Ms. Monisha Chambial and Dr. Bhavna Chibber. The session emphasized responsible online behavior, digital ethics, and cyber safety, guiding teachers in nurturing informed and respectful digital citizens.

## Promoting Mental Health and Wellness among Students

On To strengthen emotional well-being in classrooms, a workshop on "Promoting Mental Health and Wellness Among Students" was held at Laburnum Public School on 25th July 2025. Led by Principal Dr. Bhavna Chibber under Domain 1, the session guided teachers on identifying emotional distress, fostering resilience, and nurturing a supportive, empathetic learning environment.

## Assertive Discipline

Empowering teachers with effective classroom management strategies, our school organized an insightful session on Assertive Discipline on 26th June 2025. Led by renowned educator Dr. Angel Selvaraj, the workshop emphasized confidence, calmness, and consistency as key pillars of successful discipline.

## The Art of Storytelling

Laburnum Public School organized a dynamic and insightful workshop on "The Art of Storytelling" for teachers of Nursery to Class 2 on June 25, 2025. The session was conducted by Ms. Ruchi Tiwari, an expert in early childhood education, who shared innovative techniques to make storytelling more immersive and impactful for young learners. She emphasized the effective use of voice modulation, facial expressions, and puppets to capture children's attention and spark their imagination.
