MESSAGE FROM OUR STUDENT :

Kanak Raghav have been studying in Laburnum Public School for the past 11 years, and this school has truly shaped the person I am today. It has given me more than just academic knowledge; it has taught me values, discipline, confidence, and teamwork. The school has always provided me with opportunities to participate, learn, and discover my strengths. With the constant guidance of my teachers and a supportive environment, I have grown both personally and academically. As a student of Class 11, I feel deeply grateful and proud to be a part of an institution that continuously encourages us to grow and become better individuals

NEW VISION & MISSION

FROM SPACE LABS TO AI & ROBOTICS, SKILL-BASED LEARNING FOR A FUTURE-READY GENERATION.

ACADEMICS ACHIEVEMENTS

DISTRICT LEVEL ACHIEVEMENT IN SCIENCE ESSAY WRITING

A shining star among us! Laburnum Public School proudly congratulates Yashika Dash of Class XI for securing 1st position at the District Level Science Essay Writing Competition 2025–26, organized by Haryana State Council for Science Innovation and Technology (HSCSIT). Her brilliance, originality, and deep passion for science have brought immense pride to the school community. We wish her great success as she goes on to represent Gurugram at the State Level and continue her journey of excellence.

NATIONAL RECOGNITION BY NCERT

Laburnum Public School proudly shares that our students and a faculty member have been featured in a special educational video produced by the National Council of Educational Research and Training (NCERT). This remarkable recognition reflects the students' enthusiastic participation, creative expression, and confident presentation skills. The video highlights the theme "Learning Together — Celebrating Creativity, Collaboration, and Confidence in the Classroom," showcasing dynamic teaching-learning practices and meaningful classroom interaction. This achievement is a testament to our commitment to excellence, teamwork, and nurturing 21st-century skills among our learners.

Regional Level Science Drama Competition

The school team secured Second Position at the Northern India Regional Level Science Drama Competition organized by State Council of Educational Research and Training at Salwan Public School, showcasing creativity and teamwork on the theme "Digital India: Empowered Living."

CONGRATULATIONS!

Tiny Tots Activities

ORANGE DAY FUN

Laburnum Public School joyfully celebrated Orange Day on 8th October with students from Nursery to UKG, creating a vibrant and engaging learning environment.

Through creative activities such as coloring, tearing and pasting, and show-and-tell sessions, our young learners explored colors while developing fine motor skills, confidence, and self-expression.

COOKING WITHOUT FLAME

On 28th November, Our tiny tots enjoyed a delightful our cooking without flame activity and showcase of imagination, confidence, and teamwork . The activity encouraged creativity, confidence, teamwork, and healthy food habits, with students proudly presenting their dishes with care and enthusiasm.

We extend our sincere gratitude to Principal Ma'am Mrs. Bhavana Chibber for her inspiring words and guidance, reinforcing the importance of experiential learning and life skills development.

ADVERTISEMENT MASTERCHEF CHALLENGE

Our school organised an exciting Advertisement MasterChef Challenge giving young learners a creative platform to showcase their imagination and presentation skills. Students enthusiastically designed and presented unique food advertisements, for combining confidence, teamwork, and innovative ideas. The activity not only enhanced their communication and marketing skills but also encouraged creativity and stage presence. It was a delightful experience that filled the day with energy, learning, and fun.

SDG7

Laburnum Public School conducted a special assembly on SDG 7: Affordable and Clean Energy, spreading awareness about sustainable practices and responsible energy use. The Honourable Principal shared inspiring thoughts, encouraging students to become mindful citizens and contribute towards a greener future. Students presented engaging acts, speeches, and creative performances highlighting the importance of conserving energy and adopting eco-friendly habits. The assembly beautifully reflected the school's commitment to nurturing responsible global citizens.

GEETA MAHOTSAV

On 4 December, Our School celebrated Geeta Mahotsav with a special assembly highlighting the timeless teachings of the Bhagavad Gita. The programme began with soulful prayers and meaningful recitations, creating a serene and reflective atmosphere. Students presented thoughtful speeches and performances depicting the values of duty, righteousness, and inner strength. The Honourable Principal addressed the gathering and encouraged students to apply the Gita's wisdom in their daily lives, promoting peace, discipline, and positive thinking. The assembly served as a reminder of our rich cultural heritage and moral values.

WORLD SOIL DAY

On 5 December, We observed World Soil Day through a meaningful special assembly to raise awareness about the importance of soil conservation and sustainable living. Students presented informative speeches, creative acts, and thought-provoking messages highlighting the role of soil in supporting life on Earth. The Honourable Principal encouraged everyone to adopt eco-friendly practices and respect natural resources. The assembly inspired students to become responsible guardians of the environment and contribute towards a greener future.

VEER BAL DIWAS

Our School solemnly observed Veer Bal Diwas, remembering the extraordinary courage and sacrifice of the young Sahibzadas of Guru Gobind Singh. The day served as a reminder that true bravery knows no age and is rooted in strong values, faith, and resilience. Through reflections and discussions, students were inspired to uphold the ideals of courage, integrity, and devotion in their own lives.

CHILDREN'S DAY

Children's Day at Laburnum Public School was marked by a lively Sports Fiesta that showcased the boundless energy, teamwork, and sportsmanship of our students. The day was a joyful reminder that play, movement, and celebration are essential to a child's holistic growth.

KHELO KA MAHASANGAM 3.0

On 29th November, Laburnum Public School organized a special event KHELO KA MAHASANGAM 3.0. The event commenced on an auspicious note with the lighting of the ceremonial lamp, Saraswati Vandana, and a melodious welcome song for the esteemed dignitaries. Students displayed discipline and unity through a smart March Past, followed by vibrant "Rhythm of Sports" performances featuring Taekwondo, Boxing, Yoga, and energetic dances. The celebration was further enriched by lively parent races and student-run game stalls, bringing the school community together. Winners from Nursery to Class XI were honoured, celebrating effort, sportsmanship, and excellence.

PARENT EDUCATOR INTERACTION

On 4 October, Our school organized a meaningful Parent-Educator Interaction for class Nursery to V to strengthen the partnership between home and school. The session provided an open platform for constructive dialogue, where parents and teachers discussed students' academic progress, overall development, and areas of improvement. Valuable suggestions were shared to support each child's learning journey effectively. The interaction reinforced our shared commitment to nurturing confident, responsible, and successful learners through continuous collaboration..

TINY MOMENTS BIG MEMORIES

On 13th December, Little smiles, big adventures, and memories in the making. Our picnic day at Laburnum Public School was a delightful experience where tiny explorers Dreamland and laughed, played, and learned beyond the classroom. Filled with joy, curiosity, and togetherness, the day created beautiful memories that will be cherished forever.

Tiny Tots Activities

DONATIONS

Our Tiny Tots actively participated in a meaningful donation drive, spreading kindness and compassion within the community. The young learners contributed food and essential items, demonstrating empathy, generosity, and a strong sense of social responsibility. The activity aimed to nurture values of sharing and gratitude while encouraging students to make a positive difference in society. It was a heartwarming effort that reflected the true spirit of care and humanity.

STORYTELLING

Our Tiny Tots participated in a delightful storytelling activity that filled the environment with imagination and joy. Through expressive narration, role play, and creative gestures, the young learners confidently shared their favourite stories. The activity enhanced their listening and speaking skills while nurturing creativity and self-expression. It was a wonderful experience that encouraged confidence, language development, and a love for storytelling among the little ones.

TORAN AND RANGOLI MAKING

On the auspicious occasion of Diwali, Our Tiny Tots celebrated the festival with great enthusiasm and creativity. The young learners made beautiful rangoli designs, colourful torans, and decorative festive crafts, spreading joy and positivity all around. The activity helped students understand the cultural significance of the festival while enhancing their artistic skills and teamwork. The celebration filled the school with light, happiness, and festive spirit.

Subject Enrichment Activities

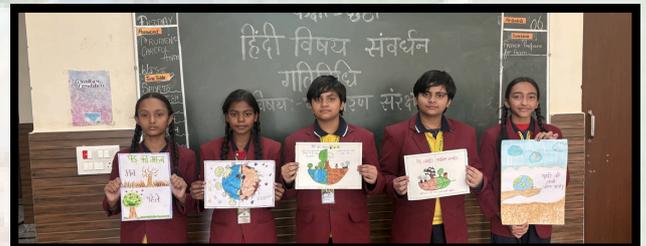

SCIENCE BEHIND MAGIC

At Laburnum Public School, learning comes alive through experience and exploration. Our Experiential Learning Day at the Pre-Primary Wing was a joyful celebration of curiosity, creativity, and confidence. Young learners delighted in discovering the science behind magic, engaged in financial literacy through a lively shopping mall activity, and participated enthusiastically in a range of interactive experiences. These thoughtfully designed activities transformed classrooms into vibrant learning spaces, nurturing critical thinking, collaboration, and real-world understanding from an early age—reflecting our commitment to joyful and meaningful learning.

SEA HINDI

Students actively participated in the Hindi Subject Enrichment Activity through interactive tasks such as reading, speaking, and expressive writing, students explored the beauty of the Hindi language while building confidence in communication. The activity encouraged active participation, teamwork, and cultural appreciation, making learning enjoyable and meaningful.

SEA MATHS

The Mathematics Department organised an engaging subject activity to make learning numbers fun and practical for students. Through hands-on tasks, problem-solving challenges, and interactive games, students enhanced their logical thinking and analytical skills. The activity encouraged teamwork, accuracy, and confidence while helping learners understand mathematical concepts beyond textbooks. It was an enriching experience that made Maths both enjoyable and meaningful.

Workshop

CYBER SECURITY

Laburnum Public School organized an insightful Cyber Security Workshop on 30th October to create awareness about online safety and responsible digital behavior. The session guided students on topics such as protecting personal information, identifying cyber threats, creating strong passwords, and practicing safe social media usage. Through interactive discussions and real-life examples, students learned how to stay alert and secure in the digital world. The workshop proved to be highly informative and empowered learners to become responsible digital citizens.

CAPACITY BUILDING PROGRAMME

On 6th December, Laburnum Public School successfully conducted a Capacity Building Programme (CBP) Workshop on Values Education, organised by CBSE Panchkula. The workshop was guided by the esteemed Resource Person, Ms. Neelam Yadav (Principal, Dr. Bhavana Chibber). The session offered valuable insights into fostering ethics, empathy, and moral values in students. Teachers were enriched with practical strategies to effectively integrate value-based education into classroom practices, reinforcing our commitment to holistic learning.

GENDER EQUALITY

Laburnum Public School organised an insightful workshop on Gender Equality on 22 December to create awareness among students about respect, fairness, and equal opportunities for all. The session included interactive discussions and engaging activities that encouraged students to reflect on stereotypes and promote inclusivity in their daily lives. The workshop aimed to build empathy, confidence, and responsible values, helping learners understand the importance of equality in shaping a positive and progressive society.

CAREER COUNSELLING

CAREER COUNSELLING SESSION

Guided today, empowered for tomorrow! On 4th October 2025, the Class XII students of Laburnum Public School attended an enriching career counselling session at JK Business School. The interactive session provided expert guidance on diverse career pathways, resume building, and interview skills. Engaging activities such as Career Bingo and Profession Charades added an element of fun while enhancing awareness and confidence. It was truly a day of learning, inspiration, and preparation for a successful future.

CAREER CONCLAVE

Students of Classes XI and XII enthusiastically participated in the Career Conclave organized by the Urjaa Association at Suraj School Sector 75. The event witnessed the presence of reputed institutions including KR Mangalam University, Sushant University, Graphic Era University, SRM University, Rishihood University, Vedatya Institute, and Suraj PG Campus. Students gained valuable insights into diverse academic programs, scholarships, and global study opportunities. The conclave proved to be an inspiring platform that empowered young minds to explore their interests, gain career clarity, and confidently envision their future pathways.
