Subject: Inter Class Competition

Dear Parents,

Greetings!

This is to inform you that an Inter-Class Soft Board Decoration Competition will be organized to encourage creativity, teamwork, presentation skills, and innovative thinking among students. The competition aims to provide students with a platform to express their ideas artistically and spread meaningful messages through creative displays. The competition will be held on **Wednesday 13th May,2026.**

About the Activity:

Students will creatively design and decorate their class soft boards based on the allotted themes. The boards should reflect originality, creativity, aesthetic presentation, and relevance to the given topic through artwork, slogans, illustrations, craft work, informative content, and decorative elements

The details of activities are as follow:

S.No.	Category	Topics	Activities
1.	**Class: III- IV**	➢ **When Nature Speaks**	Students will creatively design a soft board highlighting traditional childhood experiences such as outdoor games, storytelling, reading habits, family bonding, and screen-free activities through drawings, captions, slogans, crafts, and decorative elements.
2.	**Class: V-VI**	➢ **The Lost Art of Childhood**	Students will prepare an attractive soft board showcasing the beauty and voice of nature through eco-friendly messages, illustrations, slogans, poems, recycled craft work, and creative displays promoting environmental awareness and conservation.
3.	**Class – VII- VIII**	➢ **Money Sense- money grows when wisdom flows**	Students will prepare an informative and creative soft board highlighting the importance of financial literacy, wise spending, saving habits, and money management through innovative displays and artwork.
4.	**Class IX- XI**	➢ **Humanity in the age of Machines**	Students will creatively design a thought-provoking soft board exploring the balance between humanity and technology. Through innovative artwork, slogans, illustrations, infographics, articles, and 3D elements, students will depict how machines and artificial intelligence are influencing human emotions, relationships, creativity, and daily life while emphasizing the importance of preserving human values in a digital world.

Rules & Guidelines:

- The decoration must be based strictly on the allotted theme.
- Students should use creative and innovative ideas.
- Use of eco-friendly, handmade & waste materials will be appreciated.
- Boards should be neat, informative, and visually appealing.
- Students must ensure originality in presentation and content.
- The soft board should be completed within the allotted time.
- Participation of all students is encouraged.

Judging Criteria

- **Creativity & Originality**
- **Presentation & Neatness**
- **Relevance to Theme**
- **Informative Content**

We expect all students to participate with enthusiasm and make this initiative a grant success.

Regards
Principal
