"Every sheet saved today helps build a greener tomorrow"

Dear Parent/Guardian,
Greetings!

On the occasion of World Environment Day, the school is launching the campaign "Paper to Purpose" to encourage students to develop responsible and sustainable habits towards saving of paper to conserve the environment.

As part of this initiative, students will take a pledge to reduce paper wastage and use paper judiciously in their daily lives. Parents are requested to support and guide their children in adopting paper-saving practices at home.

Students may demonstrate any innovative paper-saving idea or activity and share a photograph or a short video (30 seconds to 1 minute) showcasing their efforts. Entries may be sent to 8377000146 by 7th of June.

The most thoughtful and creative entry will be awarded a special prize.

Regards

Principal
